

Learning Contract Elective Internship («Wahlpraktikum in Chemie») (externally conducted)

Part I: Agreement (to be completed and submitted BEFORE internship begins)

With this learning contract the conditions for the acquisition of credit points for an externally conducted elective internship (not at the Department of Chemistry of the University of Basel, «Wahlpraktikum in Chemie») in the master degree program in chemistry (modul «Wahlpraktika») are stipulated. The details of the implementation are specified in the «Guidelines for the Study Program Bachelor of Science and Master of Science in Chemistry at the Faculty of Science of the University of Basel» (in German: «Wegleitung für das Bachelor- und Masterstudium in Chemie an der Phil.-Nat. Fakultät der Universität Basel»).

The agreement must be signed by all parties **prior to the start** of the elective internship. The original will be retained by the student, and the chemistry program coordinator will receive a copy **prior to the start** of the elective internship. **In addition to this learning contract**, a registration for the elective internship in the online services must be made.
